

Climate Literacy & Education

Here are some useful resources that will help improve climate education and literacy:

- [Alliance for Climate Education \(ACE\) Climate Resources](https://acespace.org/teachers/resources)
<https://acespace.org/teachers/resources>
- [Earth Day Network: Climate Education Week Toolkit](http://www.earthday.org/campaigns/education/climate-education-week/)
<http://www.earthday.org/campaigns/education/climate-education-week/>
- [National Center for Science Education \(NCSE\) Climate Resources](https://ncse.com/classroom-resources)
<https://ncse.com/classroom-resources>
- [National Education Association \(NEA\) Climate Resources](http://www.nea.org/tools/lessons/59562.htm)
<http://www.nea.org/tools/lessons/59562.htm>
- [NOAA Climate Program Office](http://cpo.noaa.gov/OutreachandEducation/ClimateLiteracy.aspx)
<http://cpo.noaa.gov/OutreachandEducation/ClimateLiteracy.aspx>
